

Don't Hassel the HOFFplane

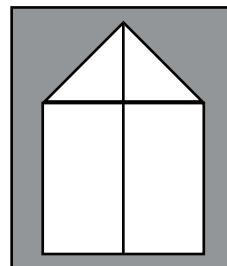

1. Place the Hoff's face down, so that the blank side is up.

Fold the page in half along the "Rider Line".

2. Open the paper back up, so the Hoff's face is up.

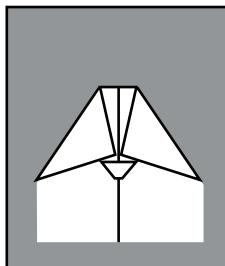

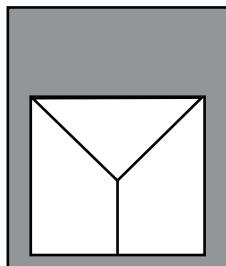

Fold the corners 1 and 2 so that they meet at the asterisk.

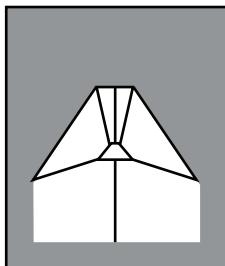

3. Fold the 1 and 2 triangles down the blank side.

4. Take corner 3 and fold to touch point 5.

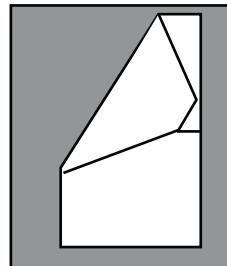

Take corner 4 and fold to touch point 6.

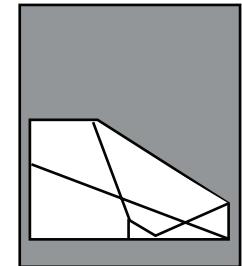

5. You should now see glimpses of Hoff's neck and ears!

6. Fold up the "KITT Flap" so that it covers and locks corners 7 and 8.

7. Fold the paper in half along the "Rider Line".

8. Fold the Hoffplane wings down so that the full picture of Hoff's mug is showing.

You are finished! The HOFFplane is ready to fly!
